

Proposal Template for Summer of Abstraction

Program Details

This template adapts to different types of proposals, allowing you to effectively present your vision. Complete the relevant sections based on your proposal type—whether it's content creation, community workshops, development work, or other initiatives. Focus on the fields that best communicate your specific project goals and deliverables. Try to make your proposal as detailed as possible to help us evaluate it properly. The team will be in touch via Telegram during the review process if clarifications or edits are needed.

1. Applicant Information

- **Full Name:**
- **Email Address:**
- **Funding Address (Polygon):**
- **Telegram:**
- **Twitter/X:**
- **GitHub:**

Team Members (if applicable)

- **Name:**
- **Email:**
- **Bio:**
- **Telegram Handle:**
- **Okto App Wallet Address:**

2. Project Overview

- **Project Name:**
- **Project Category:** (Development, Content, Community, etc.)
- **Project Summary:** (150-250 words)
- **Details:**

3. Problem Statement

- **What problem are you solving?**

- Why is this problem significant in Web3?
- Who are the target users?

4. Proposed Solution

- How does your project address the problem?
- How does it leverage Okto SDK or chain abstraction?
- What makes your solution unique?

5. Technical Details

- Tech Stack & Dependencies:
- Architecture Overview:
- Any Existing Work or Prototypes:
- Integration Plan with Okto SDK:

6. Milestones & Timeline

Note: Token disbursement is milestone-based. Regular communication and updates are required throughout the project duration. Tokens will be released upon successful completion and verification of each milestone.

Milestone Tentative Start Date Expected Completion Date

Total Points Requested:

Budget Breakdown:

7. Impact & Community Benefit

- How does your project contribute to Web3 adoption?
- How will you measure success?
- Potential user base & community engagement plans:

8. Additional Information

- Have you received funding from other grants?
- Any relevant links (GitHub, Website, Demo, etc.)
- Other comments or special considerations:

9. Terms & Conditions

- **Are you available for periodic reviews and updates?** (Yes/No)
- **Are you open to collaboration and mentorship?** (Yes/No)
- **Do you agree to abide by Okto's program guidelines?** (Yes/No)
- **How did you hear about SOA?**

Please fill out all required fields before submitting. If a field is not applicable, enter 'N/A' or '-' as placeholder.

Submission Instructions:

- Submit your proposal here: [\(https://questbook.app/proposal_form/?grantId=67ab0aaf75ceaec6d645dd48&chainId=10\)](https://questbook.app/proposal_form/?grantId=67ab0aaf75ceaec6d645dd48&chainId=10) (https://questbook.app/proposal_form/?grantId=67ab0aaf75ceaec6d645dd48&chainId=10)
- Ensure your proposal is complete and follows the guidelines.
- Proposals will be reviewed based on feasibility, innovation, impact, and execution potential.

We look forward to your submission and supporting your journey in Web3! ☐
